

Figure: Comparison of AdaEraser and FLUX.2 [Klein] .The two rows show four columns: the input image, the object mask, the result of AdaEraser, and the result of FLUX.2 [Klein]. For FLUX.2 [Klein], the text instructions are *“Remove the rightmost giraffe.”* and *“Remove the pipe running across the red sign, while keeping the uppermost pipe unchanged.”* FLUX.2 [Klein] may remove the wrong target.
